## Golf Shop Announcement

Over the past 10+ years, Andrew and his family have become an integral part of Hawks Nest Golf Club, moulding it into a market leading facility with outstanding customer service and a welcoming vibe. Andrew arrived as an enthusiastic and fresh-faced Professional back in 2014, and before our members eyes, has matured into an outstanding gentleman, a passionate & dedicated family man, and an excellent ambassador for the Club.

It is with great sadness that this chapter of the story draws to a close, however we understand the reasons and celebrate the fact the McCormack's have been part of the Hawks Nest Golf Club fabric over the past 11 years.

We look forward to regular visits and wish Andrew and the family all the success in his new role. Please join us at the Club on June 14<sup>th</sup> from 4:00pm to celebrate the McCormack's.

The Club is also pleased to announce, that after an extensive process, we are set to welcome our new Head Professional, Kieran McMahon.

Kieran joins the Club with 25yrs experience as a PGA Professional at venues including Cypress Lakes, The Oaks, Hunter Valley Gardens & Braxton GC to name just a few. Kieran has a true passion for golf and growing the game, and looks forward to immersing himself in the membership base.

Kieran will officially start on Tuesday June 24<sup>th</sup>, however, will be visible in the golf shop between now and then as he introduces himself to the members and staff, while squeezing out every ounce of Andrews wisdom while he has time.

Congratulations to both Andrew and Kieran on your new roles, both richly deserved.

Bill Hart  
HNGC President

Peter Davies  
NHGC General Manager
